

We, the manufacturer,

DekTec Digital Video BV
Godelindeweg 4, 1217HR Hilversum
The Netherlands

declare under our sole responsibility that the product:

DTA-2131B
Multi-Standard Cable/Terrestrial Receiver for PCIe

- EMC Directive 2014/30/EU
- Code of Federal Regulations, Title 47, Part 15

The product complies with the relevant provisions of the following standards:

- **EMC Emission** EN 55032
 FCC CFR 47 Part 15 Class A
- **EMC Immunity** EN 55035
- **ESD Immunity** EN 61000-4-2

This declaration applies when the product is installed in a PC compliant with the aforementioned directives and while the card is operating at full capacity.

Disclaimer: Please be aware that the integrator is fully responsible for verifying and declaring the compliance of the system integrating the DekTec product with the applicable regulations in the markets where the integrated product is sold. DekTec will provide assistance if any issues related to electromagnetic compatibility (EMC) compliance testing are demonstrably linked to the DekTec product. However, please note that DekTec cannot be held accountable for any costs associated with failed compliance tests of integrated systems.
